

Reflective Journal Checklist (Accountability)

The checklist captures completion of journaling requirements.

Administrative Note:

Students will submit their journal to their assigned academic instructor/facilitator upon in processing BLC.

Failure to journal, or to provide context and thought in journaling results in negative academic counseling for apathy and potential dismissal. Completion of this requirement is imperative to ensure constructive classroom dialogue during resident PME.

		GO	NO/GO
Module 1: Army Leadership and Profession			
DLC: 100	Course Overview		
DLC: 101	The Army Learning Concept (ALC) 2020-2040
